Re: *Reply of Tongue River Railroad Company, Inc. To Northern Plains Resource Council's Request for an Extension of Time, STB Finance Docket No. 30186*

Dear Ms. Brown:

In a June 13, 2012 decision in the above referenced docket, the Board asked the parties to file a notice of intent within 30 days indicating whether they wish to continue to be listed as party of record. In a letter filed July 10, 2012, Northern Plains Resource Council requested that the deadline for filing notices of intent be extended by 60 days due to wildfires in Montana and surrounding states.

Tongue River Railroad Company, Inc. ("TRRC") does not oppose this extension as long as it does not prevent TRRC from filing its new application during the 60 extension period or interfere with the ongoing environmental work associated with the new application.

Respectfully submitted,

David H. Coburn
